LAGUNA GREY DOUBLE SHAKER

#27LGDS LAGUNA GREY DOUBLE SHAKER

THE DOOR STYLE

Double Shaker cabinets are a modern twist on the traditional Shaker style, bringing timeless elegance and practicality to any kitchen or storage space. A clean, minimalist look with double recessed panels on the doors creates a layered effect that enhances depth and sophistication.

THE COLOR

Laguna Grey is a soft, versatile mid-grey with a subtle warm undertone. Calm and balanced, it adds depth without overpowering the room and pairs easily with white, wood and stone.
